

The difference in loudness and pitch of sound produced when piano keys are pressed, cows moo and rats squeak.

The way piano keys are pressed	Loudness of sound produced	Amplitude
Hard	Loud	 <p>High</p>
Soft	Soft	 <p>Low</p>

Sound	Pitch of sound produced	Frequency
Mooing (Cow)	Low	 <p>Low</p>
Squeaking (Rat)	High	 <p>High</p>
